

Welcome to the 189th edition of Speedway Australia's Speed eNews.

IT'S LAUNCH DAY!

Speedway Australia is excited to officially launch our new Track Permit Administration portal. We've spent recent months building and extensively testing the new system, which is designed to remove your frustrations, save time, and increase your efficiencies.

The new portal has three key benefits for venue operators throughout the nation.

- **No more prepayments**
- **No more paper forms**
- **No more messy cancellations or credits**

To quickly get all venue operators up to speed, we've put together an educational video and webpage explaining exactly how the system works. If you have any further queries, please email permits@speedwayaustralia.net.au and one of our team will be in contact to assist you. This system marks the first major change in streamlining and modernizing the permit process and will continue to be developed over time.

The portal is available to be used for all permit applications from 31st October 2021 through to 31st August 2022. **It's important to remember your permit applications will not be processed until you have returned your commitment form and deposit premium to Gallagher.** Please contact Gallagher via speedway@ajg.com.au to follow this up.

MONSTER TRUCKS: THE GOOD, THE BAD AND THE UGLY

Running a Monster Truck event can be a great way to make money and pack your venue, and there are multiple ways of employing or partnering with a Monster Truck promoter to run a show to get the most benefit.

At Speedway Australia, we have observed a variety of experiences in dealing with various Monster Truck businesses across the 98 venues in our nation, and as a result, we have formed some insights from other venues into which operators you should and which you perhaps shouldn't engage with.

In recent months, two of our venues have been dragged into some terrible circumstances at the hands of one operator, drastically damaging the venues and clubs reputations in the community and causing considerable heartbreak and stress for the club members.

If you are considering running a Monster Truck event at your venue, or have been approached by an operator with an offer to run an event at your venue, please contact Bennie Bishop or Mark Holmes using the contact details below.
