

Welcome to the 190th edition of Speedway Australia's Speed eNews.

REFRESH YOUR MEMORY!

Two years ago, Speedway Australia proudly launched our comprehensive National Training Program for Official's accreditation. This online platform for Official's training, designed in conjunction with Divisional bodies such as Speedway Sedans Australia and the Sprintcar Control Council, set a national standard of knowledge and skill sets required for Stewards and Scrutineers

across every class of racing.

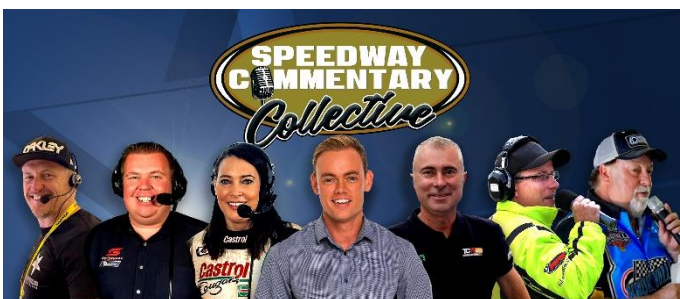

With an overwhelming number of officials having undertaken the course initially, the time has come for many to undertake a 'refresher' course, as per Speedway Australia Rules and Regulations.

Starting next week (Monday, 8/11) a Speedway Australia 'refresher' course will be available to all officials via the eTrainu platform. This interactive online programme covers all aspects of Speedway Officiating, from the fundamentals of being an official, to health and safety, Speedway racing rules and on-track scenarios – in an abridged format that can be completed in under 45min.

The program allows for self-paced learning on your PC, mobile or tablet from the comfort of your own home – avoiding the need for time consuming and costly travel from remote areas, saving time and money for Divisional bodies, and the volunteers themselves.

To access the course, simply login to the eTrainu platform [here](#) and check out the Refresher course!

COMMENTARY COLLECTIVE SURPASSES 60 REGISTRATIONS!

Speedway Australia is proud to launch "The Commentary Collective," a development program for Speedway commentators across Australia.

Aimed at taking our venues' public address skills to the next level, the interactive live online sessions will be hosted by Bennie Bishop and will feature established industry guests

passing on their insights to current and future track commentators.

The Legendary Wade Auger will saddle up with the Voice of the Grand Annual Sprintcar Classic, Gavin White for the first session on November 1. Self confessed "Speedway tragics" Chad Neylon, Matt Naulty and Briony Ingerson will take time out of their very busy Supercars roles to team up for session 2 on November 17. Then on November 17, TV Broadcasting star across multiple motorsports and mediums Greg Rust will then team up with established broadcast director and producer Dean Neal to offer insights from their career paths and the do's and dont's of live stream presenting.

All existing commentators and pit reporters as well as anyone who would like to get started are welcome.
