

Welcome to edition 207 of Speedway Australia's Speed eNews.

DUAL PERMITS

Please note. Speedway Australia **will not** issue a permit where another permit is issued providing insurance cover for an event on the same date(s).

By way of example. If a race or practice permit is issued by another organisation to insure a non-approved Speedway Australia category, Speedway Australia will not issue a permit.

STEWARD AND INCIDENT REPORTING

Did you know that every Steward is required to complete a report to their Track Operator after a race meeting using the approved form?

The easiest way for Stewards to submit this paperwork is

via the app, or the following link.

<https://www.speedwayaustralia.org/officials/>

Both the Stewards Report and Incident Report are available online, although the paper copy being emailed or faxed is also perfectly acceptable. Once the

Steward has completed the form a copy is automatically sent to the track, to Speedway Australia, and to the Steward for their records.

Please be aware that the Steward will be required to fill out an incident report when incidents of concern occur and cannot delegate it to the injured party or their crew etc. We need these reports

in the event of any claims or queries to cross check information received and speed up the payment process to injured licence holders.

It's great to see how many reports are submitted straight after a race meeting or the next day, but there are always a portion that take a while to arrive, if at all. Please help us to help the sport by ensuring these are submitted promptly!

The screenshot shows the 'STEWARD'S REPORT' form from Speedway Australia. It includes fields for: First Name(s), Surname, Contact Phone, Email Address, State (dropdown menu), Track Name / Venue, Track Manager / Promoter, Event Name, Permit Number, Start Date, and End Date. At the bottom, there are checkboxes for various categories: AMCA Nationals, SSA Junior Sedans, SSA Production Sedans, SSA Street Stocks, SSA Super Sedans, SSA National 4s, and SSA National 4s.

SPEEDWAY VENUE HIRE & LEASES

A reminder that if you are approached to hire or lease your venue for a **Non Speedway Event**, please contact us immediately for advice. Last minute notifications lead to delays in timely issue of permits where applicable.

The following advice is provided in the renewal information provided to all venues. Please read through this.

Non-Speedway Events.

Speedway venues are often ideal for arena type events other than Speedway. We are aware that Track owners/operators are approached with hire propositions that can be a welcome source

of additional income.

However, if hires are not managed correctly, they can bring about unexpected and potentially catastrophic legal liability consequences to Track owner/operators, boards, committee, members

and employees.

Such events may include but are not limited to,

- **Funfairs and sideshows**
- **Monster Truck Events**
- **Car Shows including Static Displays**
- **Farmers markets, fun fairs and swap meets**
- **Rodeos**
- **Motocross shows**
- **Come “n” Try days**
- **Concerts**
- **Circuses**

Generally, a hirer may hold their own policy of insurance covering their activities, however this does not Provide cover for your Track as you may be joined in legal action arising from something the hirer does.

There have been instances and circumstances where Tracks conducting non-speedway events have mistakenly assumed they were fully insured under the hirers' policy of insurance.

AUSTRALIAN CHAMPIONSHIPS CONTINUE...

This weekend the SCCA 360 Sprintcar Australian Championship, will be held at Murray Machining And Sheds Murray Bridge Speedway in South Australia.
