

Welcome to the 41<sup>st</sup> edition of Speedway Australia's Speed eNews, your weekly update on the sport, tips and points to remember. It is our intention to continue this weekly form of communication and we look forward to providing you this support in the weeks to come. Just a quick reminder that if any of the information in here needs to find its way to social media, we will do so via our Speedway Australia channels only.

With the suspension list attached to the document, this is not information every licence holder or club member should be receiving. However, please make sure that if you are the contact receiving this information for your organisation that you pass the information on to the rest of your committee to make sure your team can also be kept aware. Feel free to get in touch if you have any questions or require a copy of one of the previous editions.
