

Welcome to the 64th edition of Speedway Australia's Speed eNews.

This weekly communication serves to keep clubs and organisations up to date on current events, handy tips to improve competition and safety, as well as any changes that may be taking place within the sport.

Please make sure that if you are the contact receiving this information for your organisation that you pass the information on to the rest of your committee as to keep them in the loop. You are also encouraged to distribute this newsletter to your members. Feel free to get in touch if you have any questions or require a copy of one of the previous editions.

## NAVIGATING THE CONVENTION CENTRE

With over 150 people attending the Speedway Awards and over 80 delegates for the National Forum, Safety Conference and Australasian Speedway Promoters Association AGM, it's going to be a busy weekend in Adelaide in two weeks' time.

All events are on two levels in the same part of the Convention Centre, and these handy maps should help you navigate your way around the venue.

The carparking map is self-explanatory, the Ground floor map shows where the Speedway Awards dinner will take place. Make your way from the main entrance to Foyer F, where staff will be on hand to provide you with a welcome drink.

The other three events are in the Riverbank rooms directly below the Awards venue. Again, enter through the main entrance and head downstairs to the Riverbank foyer.

We look forward to seeing you on June 22!

Saturday Night - Awards Venue – Foyer F (left)

Saturday and Sunday Venue – directly below awards

## LIME IN SPEEDWAY

It used to be commonplace around speedway tracks, but the use of lime in track surfaces and as a marking agent, or to assist in reducing moisture on a racing surface does bring some risk. [Here is a link](#) to a recent article about how it went badly wrong for an AMA Supercross event in San Diego.

Certainly food for thought!

## SPEEDWAY AUSTRALIA CONTACTS

Please see below for the relevant contacts for all your Speedway Australia requirements.
