

Welcome to the 26th edition of Speedway Australia's Speed eNews, your weekly update on the sport, tips and points to remember. Over the previous 25 weeks we have covered a wide range of topics and have received some positive feedback from several of you.

It is our intention to continue this weekly form of communication and we look forward to providing you this support in the weeks to come. Just a quick reminder that if any of the information in here needs to find it's way to social media, we will do so via our Speedway Australia channels only.

Feel free to get in touch if you have any questions or require a copy of one of the previous editions.

SAME PERMITS, NEW SYSTEM

Earlier this week we rolled out a new system to make the issuing of track meeting and practice permits easier. They are now generated via an online database and emailed directly to the track contact person.

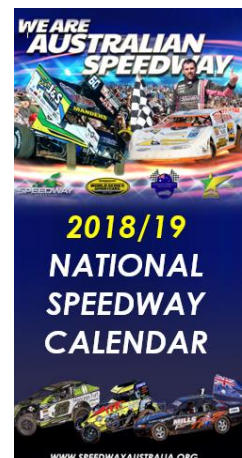

What this means is that we've been able to integrate features such as a partially completed cancellation form, which you can use to advise Marsh Advantage in the event that bad weather or other factors intervene in your plans.

With any new process there may be the odd teething problem, so please bear with us if that's the case. And for all permit-related enquiries, your contact in the office is Liz Weaver on 08 813 0777 or liz@speedwayaustralia.net.au

CALENDARS - FREE DOWNLOADS

With most tracks having confirmed their calendars for the 2018/19 season, Speedway Australia has again been able to put together the 2018/19 National Calendar as a handy pdf document. This season we've also split the information on a state by state basis, with month by month calendars as well as track by track details.

These are free downloads, so grab as many of them as relevant to you, and save to your phone or computer. As always, the information is subject to change, so please check with the relevant track website or Facebook page for any alterations.

We also intend to reissue these on a more regular basis, such as early next year when the northern NT, WA and QLD venues confirm their 2019 schedules.

CELEBRATING SIX MONTHS OF SPEED ENEWS

This issue of our Speed eNews weekly newsletter is our 26th, meaning we've delivered updates to your inbox every week for the past six months!

We are 100% committed to the continuation of this weekly information supply, but we'd love your feedback.

We've covered a wide range of topics over the past months, so we are keen to know if there's anything else you'd like us to regularly visit, or perhaps cover in-depth in a future edition.

If you have any ideas or feedback, please email it through to james@speedwayaustralia.net.au
