

Welcome to the ninth edition of Speedway Australia's Speed eNews, your weekly update on the sport, tips and points to remember. Over the previous eight weeks we have covered a wide range of topics and have received some positive feedback from a number of you.

It is our intention to continue this weekly form of communication and we look forward to providing you this support in the weeks to come. Just a quick reminder that if any of the information in here needs to find it's way to social media, we will do so via our Speedway Australia channels only.

Feel free to get in touch if you have any questions or require a copy of one of the previous editions.

FIRST SPEAKER CONFIRMED FOR FORUM

We are now able to confirm that Mark Holmes from Marsh Advantage, Speedway Australia's insurance brokers, will attend the National Competitors Forum in Brisbane next month.

The forum, which is being hosted for the second time is set to take place at Rydges South Bank on Saturday 23rd June. At last year's event, over 40 divisions were represented and enjoyed the wide range of information presented throughout the day.

It's expected Mark will offer attendees in-depth information on both the Personal Accident and Public Liability insurance schemes and will also be available for questions following his presentation. Representatives last year had a variety of important queries and our survey responses indicated this segment was an integral part of the forum - hence its return in 2018.

Following the forum, the third annual Australian Speedway Awards will also take place the night of the 23rd at the same venue. Divisions are encouraged to get in contact with either James or Tim, indicating their intended attendance at either or both of these events.

RJS RECALL NOTICE

The SFI Foundation has this week announced a Notice of Recall for an RJS branded product. Please see below for the full release and please advise your competitors of which this may affect.

May 14, 2018

REMINDER: LICENCE PAPERWORK & REPORTS

Just a gentle reminder that all licence paperwork and reports are meant to be sent to back Speedway Australia within 7 days of the completion of the race meeting.

With a majority of race calendars coming to an end it is time to ensure you have sent back all the required licences and reports. The longer it sits at the race track the more likely the paperwork will get lost or forgotten.

Please start looking at sending back all your Steward Reports, Accident Incident Reports, Bulk Official Record Sheets as they expire on the 30/06/2018 along with any used One Day Pit Licences.
